

Wabtec Netherlands specific conditions

Version: October 2018

1. (a) Purchaser undertakes to the Seller that Purchaser shall not re-sell or otherwise supply the Goods to a third party which is the subject of any statutory trade prohibition of the United States of America or a member state of the European Union ("Sanctioned Third Party") or the United Nations.

(b) Without prejudice to Condition (a), if the Seller shall have notice of or reasonable grounds to believe that Purchaser intends to re-sell or otherwise supply the Goods to a Sanctioned Third Party the Seller may upon giving notice thereof to Purchaser refuse to deliver the whole or any part of the Goods and shall have no liability to Purchaser for such refusal.
2. If connection cables and/or hoses are not mentioned in the specifications in the quotation and/or order confirmation, they do not form part of the agreement or the delivery obligation by Wabtec Netherlands B.V. and are therefore also excluded from the warranty obligations mentioned in the agreement. With regard to the use of connection cables and/or hoses by the client which are not mentioned in the specifications in the quotation and/or order confirmation, Wabtec Netherlands B.V. do not accept any liability.
